

Maximize Visibility!

More Exposure For Our Listings—
In Our Area & Across the Nation

When you list your home with CENTURY 21 M&M and Associates you're creating maximum exposure for your property, in our area and around the nation. Not only will your property be featured on the award-winning century21.com site, but millions of other potential buyers will be able to see your listing because the CENTURY 21 System partners with some of the most popular real estate sites on the Internet. When it comes to selling your home, you can't have too much exposure. The CENTURY 21 System works hard to ensure that our listings get all the attention they deserve—all around the country!

That's why the CENTURY 21 System lists your home on all these popular mover Web sites, which get millions of unique visitors every month:

CENTURY 21 listings are also displayed on all
MLS enabled real estate sites.

Remax.com, ColdwellBanker.com, ERA.com, Prudential.com,
KW.com, and Weichert.com

MILLIONS
of people are seeing
your property!

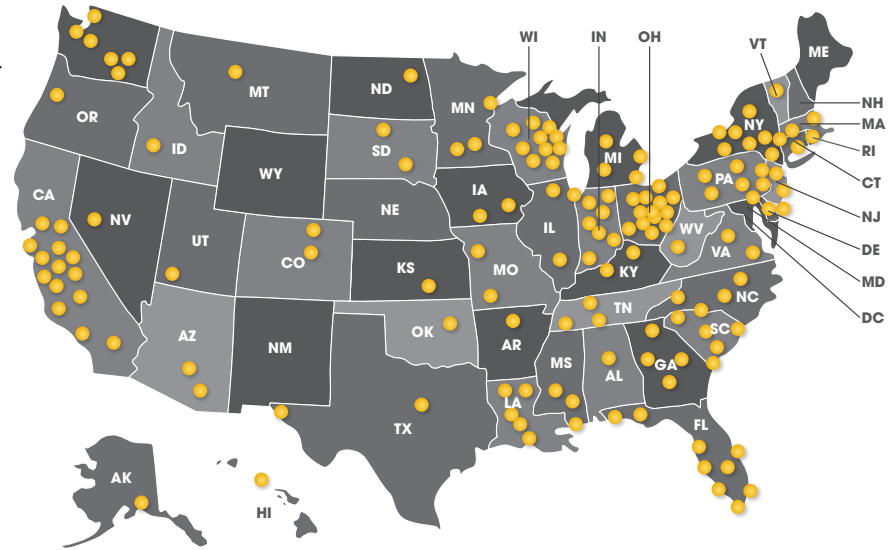

CENTURY 21 M&M and Associates Know Your Local Market

In addition to the great national coverage the CENTURY 21® System provides for your home listing, you'll also find your property listed on key real estate sites that serve your area. That includes your local newspaper site, real estate showcases, guides to your region—wherever your neighbors look when they're starting a home search. Because CENTURY 21 Sales Professionals know that in the end, every home sale is a local sale. That's why our experts go the extra mile to understand our market in detail and position your home in front of the people most likely to buy.

OVER 90% OF BUYERS AND SELLERS SEARCH ONLINE FIRST AND THERE WE ARE!

Our Online Newspaper Network

The CENTURY 21 System distributes local listings to a network of 130+ online newspaper real estate sites nationwide to ensure your listings are seen by consumers who want to buy in our area.
